The arrangements for this funeral and final disposition of the remains of \_\_\_\_\_ were made by \_\_\_\_\_ and \_\_\_\_\_. We acknowledge the following:

1. The current General Price List was provided to me or to us prior to discussing prices, services or merchandise.
2. The current Casket Price List was provided to me or to us prior to discussing caskets or the prices of caskets.
3. The current Outer Burial Container Price List was provided to me or to us prior to discussing outer burial containers or the prices of outer burial containers.
4. Representations were not made to me or to us that embalming is legally required in Michigan except when death was caused by certain infectious diseases or, with very limited exceptions, when the body is not taken to its final destination (such as a cemetery or crematory) within 48 hours of death.
5. Representations were not made to me or to us that the law requires embalming for direct cremations or immediate burials or if the funeral is without viewing or visitation, except as described in the preceding paragraph.
6. Representations were not made to me or to us that the law requires a casket for direct cremation or that a container other than **Alternative Container** is required for direct cremation.
7. Representations were not made to me or to us that Michigan law or regulations of the cemetery chosen require the purchase of an outer burial container or any of the funeral goods or services selected except as set forth on the "Statement of Funeral Goods and Services Selected."
8. No claims were made to me or to us that embalming or other services, or the use of any merchandise available from this funeral firm would delay the decomposition of the remains for a long term or indefinite time, or would protect the body from gravesite substances. No representations or warranties were made to me or to us about the protective features of caskets or outer burial containers other than those made by the manufacturer. The only warranties, express or implied, granted in connection with goods sold with the funeral service were the express written warranties, if any, extended by the manufacturers of those goods. No other warranties and NO WARRANTIES OF MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE were extended to us by this funeral firm.
9. Representations were not made to me or to us that the amount of each of the cash advanced items was the cost of those items to the funeral firm. The cost may be different based on volume or cash discounts or other professional/trade customs, or fees for the services of the funeral firm. (If this paragraph does not apply, check here )
